Planning &  
Environment

**Come along to a drop- in session for Ingleside**

As you know, we recently released the draft Ingleside Land Use and Infrastructure Strategy and supporting technical studies, as well as proposed changes to the *State Environmental Planning Policy (Sydney Region Growth Centres) 2006* (the Growth Centres SEPP).

**Come and talk with us about the draft Strategy and what it may mean for you**

We will be available, together with staff from Northern Beaches Council at a series of 'drop-in' sessions to answer your questions about the draft plans. The drop-in sessions will be held on:

- Saturday 11 February 11:30am-2:30pm
- Thursday 16 February 5-8pm
- Wednesday 22 February 5-8pm

Staff from Roads and Maritime Services will also be available at the sessions to discuss the upgrade of Mona Vale Road West.

The sessions will be at **Northern Beaches Council's Mona Vale Customer Service Centre at 1 Park St Mona Vale, in the conference room near the customer service desk**. There is no need to make an appointment.

Please note that these sessions are aimed at land owners in Ingleside, however all interested community members are welcome to attend.

Kind regards

**Ingleside Project Team**
