### Ingleside planning update

We are completing our review of your feedback from the exhibition of the draft Ingleside Land Use and Infrastructure Strategy. We received over 420 submissions from landowners, community members and government agencies.

The top themes of your submissions were:

#### Ingleside Precinct Consultation December 2016-February 2017: Major submission themes

We are now compiling a report responding to your submissions, and will release a Consultation Update soon.

The final plan will be placed on formal exhibition later this year. We will keep you up to date with information about consultation dates and activities.

Kind regards
